

**SEVEN BRIDGES FIELD CLUB
CHAPPAQUA, NY**

Dear Prospective Member,

Thank you for your inquiry regarding the **Seven Bridges Field Club**. The club consists of approximately 90 member families drawn from Chappaqua and neighboring communities. Its intimate size and serene setting makes Seven Bridges a low-key, friendly, and un-crowded retreat for all ages.

TENNIS

Five fast drying Har-tru courts are available through a sign-up board. Our tennis committee schedules a variety of lesson programs and tournaments to suit all levels of ability. A tennis professional runs an active junior program and offers private lessons by appointment. A practice backboard/basketball court is located next to our all-purpose playing field.

SWIMMING/RECREATION

Our facilities include a newly renovated pool and toddler pool. There is a qualified group of lifeguards on duty all season. Private and group swimming lessons can be arranged with the lifeguards. Traditionally the Seven Bridges swim team has been great fun for kids ages 5 through 18. A swim coach supervises daily practices throughout July and leads the team in interclub meets. More information on our swim team can be requested. A variety of playground equipment is located in our all purpose playing field.

PLATFORM/PADDLE TENNIS

Two all-weather courts are available for play from October through April. Amenities include a warming hut and lights for nighttime play. Frequent events are scheduled during the season-among members as well as interclub.

SOCIAL EVENTS

Events throughout the year are designed to provide an opportunity to welcome new members and for all members to socialize. Social activities range from a spring cocktail party, to a mid-summer clambake, to holiday barbecues. Members are encouraged to have cookouts and pizza parties on summer evenings.

MEMBERSHIP

The Board of Directors is composed of volunteers each serving a term of three years. This ensures continuity in leadership and in the direction of club projects. The enthusiasm and involvement of all members in various activities enables the club to be an active organization while maintaining reasonable membership fees. Our annual dues for 2010 will be \$1325.00 (plus tax). For new members there is an initiation fee of \$300.00(plus tax) and a \$1000.00 bond (redeemable). We also offer a one-time, one year trial membership for \$1625.00(plus tax). Paddle memberships restrict the use of the tennis courts and pool allowing for only the use of our paddle courts during the paddle season. They are offered at \$500.00(plus tax).

If you are interested in joining, enclosed is an application. Please indicate what kind of membership that you are interested in and return the completed application to MARIANNE DORNER, 1 THE LANE, CHAPPAQUA, NY 10514. If you have any further questions, please don't hesitate to call me at 914-242-1838 or email me at massum10@optonline.net.

Sincerely,

Marianne Dorner
Membership Co-Chair
